

### Executive Officer, Education for Ministry New Zealand

Education for Ministry (EFM) is an ecumenical 4-year adult learning programme designed to link Christian faith with daily life and to deepen discipleship. It is offered across New Zealand.

EFM New Zealand seeks a self-starting, well-organised, efficient Executive Officer who recognises the value of EFM, and who is inspired to provide the services needed to promote and administer the programme, and support the volunteers who comprise EFM New Zealand.

It is anticipated that the services will require an average of 20 hours a week, working from your own home or office. Up until now EFM has been administered from Wellington, but consideration will be given to other locations.

For more details and a description of the services to be provided, please contact:
