Notes to the Financial Statements For the Year Ended 31 December 2025

1 Statement of Accounting Policies

Reporting Entity

The financial statements are in respect of the Anglican Church in Aotearoa, New Zealand and Polynesia (the Entity).

This general purpose financial report has been approved and was authorised for issue on page 5.

Statement of Compliance

These financial statements have been prepared in accordance with Generally Accepted Accounting Practices in New Zealand (NZ GAAP). They comply with Public Benefit Entity Standards for not-for-profit entities with reduced disclosure concessions (PBE Standards RDR), and other applicable reporting standards as appropriate that have been authorised for use by the External Reporting Board.

The Entity has elected to report in accordance with PBE Standards RDR on the basis that it does not have public accountability and it is not defined as large. The Entity has taken advantage of a number of applicable Reduced Disclosure Regime ("RDR") disclosure concessions.

Functional and Presentational Currency

These financial statements are presented in New Zealand dollars (\$), which is the Entity's functional currency.

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis are followed by the Entity, with the exception that investments are stated at market value.

Goods and Services Tax

All items in the Statement of Financial Position are stated exclusive of GST, with the exception of trade receivables and trade payables, which include GST. All items in the Statement of Comprehensive Revenue and Expenses are stated exclusive of GST.

Income Taxation

The Anglican Church in Aotearoa, New Zealand and Polynesia is exempt from Income Tax. The Entity is registered with the Department of Internal Affairs (DIA) Charities (Registration Number CC26426).

Use of Estimates and Judgements

The preparation of the financial statements in conformity with PBE Standards RDR requires management to make a judgement, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future period affected.

The significant estimates and judgements made in applying accounting policies and that affect amounts recognised in the financial statements are the following:

- Valuation of investments - see note 6
- Key Measurable Outputs - see Statement of Service Performance
- Going Concern - The financial statements have been prepared on a going concern basis. The Trustees have considered the financial position of the Entity, including its operating results, cash flows, and available reserves, and are satisfied that the Trust will be able to continue its operations for the foreseeable future.

Changes in Accounting Policies

There were no changes in accounting policies during the year.

ANGLICAN CHURCH IN AOTEAROA, NEW ZEALAND AND POLYNESIA

Notes to the Financial Statements For the Year Ended 31 December 2025

2 Revenue and investment income

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Entity and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. The following specific recognition criteria must be met before revenue is recognised.

Non-Exchange Revenue

Non-exchange transactions are those where the Entity receives an inflow of resources (i.e. cash and other tangible or intangible items) but provides no (or nominal) direct consideration in return.

Giving & Donations are classified as revenue from non-exchange transactions and are recognised as income when they are received unless there is an obligation to return the funds if conditions are not met. If there is such an obligation, the amounts are initially recorded as received in advance, and recognised as revenue when conditions are satisfied.

Grant revenue is classified as revenue from non-exchange transactions and includes grants given by charitable organisations, philanthropic organisations and businesses. Grant revenue is recognised when the conditions attached to the grant have been complied with. Where there are unfulfilled conditions attached to the grant, the amount relating to the unfulfilled use or return condition is recognised as a liability and released to revenue as the conditions are fulfilled. If there are no conditions attached to the Grant, it is recognised when the money is received.

Revenue from exchange transactions

Tikanga Contributions

Tikanga contributions are annual membership fees charged to certain Dioceses each year. They are charged annually and recognised in the year to which they relate.

Investment Income

	2025 \$	2024 \$
<i>Distribution income on financial assets at fair value through surplus or deficit</i>		
Distribution income on managed funds	18,105	19,177
<i>Interest income from financial assets at amortised cost</i>		
Interest on term deposits and bank balance	123,290	187,772
	141,395	206,949

Investment income comprises interest income on financial assets at amortised cost and distribution income from financial assets at fair value. Interest income is recognised as it accrues in surplus or deficit, using the effective interest method. Income from distributions is recognised when the Entity's right to receive payment is established, and the amount can be reliably measured.

3 Expenses

	2025 \$	2024 \$
Audit Fees	15,950	15,698

The auditor was employed to provide audit related services over the general purpose financial report. The auditor was not engaged to provide any other services during the year (2024: nil).

4 Cash and Cash Equivalents

Cash and cash equivalents comprise cash in hand, cash at banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Cash and cash equivalents are classified as financial assets at amortised cost. They are initially recorded at fair value and subsequently recorded at amortised cost.

Notes to the Financial Statements For the Year Ended 31 December 2025

5 Trade and Other Receivables

Trade and Other Receivables are stated at their estimated realisable value. They are classified as financial assets at amortised cost, and are initially recorded at fair value and subsequently recorded at amortised cost.

Short-term receivables are recorded at the amount due, less an allowance for expected credit losses (ECL). This allowance is calculated based on lifetime ECL.

Short-term receivables are written off when there is no reasonable expectation of recovery.

As at 31 December 2025 there were no impairment allowances (2024:nil)

6 Investments

The Entity's investments are classified as financial assets at fair value through surplus or deficit because they do not meet the requirements to be classified as financial assets held at amortised cost or financial assets at fair value through other comprehensive revenue and expense. The transaction costs are recognised in surplus or deficit.

Fair value is determined based on the quoted prices of the underlying investments at balance date.

Changes in the fair value of investments are recognised in surplus or deficit.

For the Year Ended 31 December 2025**

7 Property, Plant and Equipment

All plant and equipment are initially recorded at cost and subsequently recorded at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the items. Where an asset is acquired in a non-exchange transition for nil or nominal consideration the asset is initially measured at its fair value. Any gain or loss on disposal of an item of plant and equipment is recognised in the operating surplus or deficit for the year.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the entity. All other repairs and maintenance costs are expensed as incurred.

At each balance date the carrying amounts of plant and equipment are assessed to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated and an impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount in surplus or deficit. The Entity has reviewed plant and equipment for impairment and found no case of any significant impairment of their value.

Depreciation is provided for in surplus or deficit on a straight line basis on plant and equipment. Depreciation rates allocate the assets' cost or valuation less estimated residual value, over its estimated useful life.

Major depreciation periods are:

ZEALAND AND POLYNESIA**

Opinion

We have audited the general purpose financial report of Anglican Church in Aotearoa, New Zealand and Polynesia (the “entity”), which comprises the financial statements on pages 4 to 12, and the statement of service performance on page 3. The complete set of financial statements comprise the statement of financial position as at 31 December 2025, the statement of comprehensive revenue and expenses, statement of changes in net assets, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion the accompanying general purpose financial report presents fairly, in all material respects:

- the financial position of the entity as at 31 December 2025, and its financial performance, and its cash flows for the year then ended; and
- the statement of service performance for the year ended 31 December 2025, in that the service performance information is appropriate and meaningful and prepared in accordance with the entity’s measurement bases or evaluation methods,

in accordance with Public Benefit Entity Standards Reduced Disclosure Regime (“PBE Standards RDR”) issued by the New Zealand Accounting Standards Board.

Basis for Opinion

We conducted our audit of the financial statements in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)) and the audit of the statement of service performance in accordance with the ISAs (NZ) and New Zealand Auditing Standard 1 (NZ AS 1) (Revised) *The Audit of Service Performance Information (NZ)*. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the General Purpose Financial Report section of our report. We are independent of the entity in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the entity.

The General Synod/te Hīnota Whānui Responsibilities for the General Purpose Financial Report

The General Synod/te Hīnota Whānui are responsible on behalf of the entity for:

- a) the preparation and fair presentation of the financial statements and statement of service performance in accordance with PBE Standards RDR;

- c) the preparation and fair presentation of the statement of service performance in accordance with the entity's measurement bases or evaluation methods, in accordance with PBE Standards RDR;
- d) the overall presentation, structure and content of the statement of service performance in accordance with PBE Standards RDR; and
- e) such internal control as the General Synod/te Hīnota Whānui determine is necessary to enable the preparation of the financial statements and statement of service performance that are free from material misstatement, whether due to fraud or error.

In preparing the general purpose financial report the General Synod/te Hīnota Whānui are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the General Synod/te Hīnota Whānui either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the General Purpose Financial Report

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole, and the statement of service performance are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and NZ AS 1 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate or collectively, they could reasonably be expected to influence the decisions of users taken on the basis of this general purpose financial report.
